---	--	---

This risk assessment is part of *Bedworth United FC's* Covid-19 safety management strategy that is held within the Club's Covid-19 Operations Manual. This assessment will also apply to the general daily activities within the stadium as appropriate

Hazard Identification	Risk Assessment			Identify Existing Controls		Action Plan		
Hazard or Potentially Hazardous Situation	Likelihood	Severity	Risk Rating	Existing Controls	Adequate	Additional Control Measures	By Whom	Action Date
General Risk of Infection	Possible	Severe	High	<ol style="list-style-type: none"> <li>1. Extra hygiene to be ensured.</li> <li>2. Hands sanitised upon entry to ground</li> <li>3. Education of managers and coaches on measures to be implicated.</li> <li>4. Education of Players</li> <li>5. Strict enforcement of regulations in place</li> <li>6. Spectators to be kept informed of regulations.</li> </ol>	Yes	Staff to ensure that rules are strictly adhered to.	All	Immediate

Risk of Infection by direct contact of persons	Likely	Severe	High	<ol style="list-style-type: none"> <li>1. Anyone showing signs or symptoms or living in a household with possible or actual Covid-19 must not attend or participate.</li> <li>2. Hygiene prior to attendance must be ensured e.g regular hand washing, sanitising.</li> <li>3. Direct contact before must be avoided no handshakes etc</li> <li>4. Players should sanitise hands as often as possible during breaks in training and before and after each session.</li> <li>5. Education of Academy players,coaches and managers to the possibility of infection.</li> <li>6. Injuries where possible to be treated by person within the players bubble. If not possible face covering and gloves a minimum requirement for treatment and must be disposed of after single use.</li> </ol>	Yes	Non playing participants eg managers coaches to wear face coverings	All non playing staff	Immediate
Risk of Infection from equipment	Possible	Severe	High	<ol style="list-style-type: none"> <li>1. Minimise handling of all equipment by Academy players, 1 coach to set up cones etc</li> <li>2. Disinfect all equipment prior and post training this is to include balls.</li> <li>3. Disinfect hands before and after touching equipment.</li> <li>4. Ball handling kept to a minimum with with most contact via boot, ball disinfected during breaks in session.</li> <li>5. No shared drinks players should drink from named container only.</li> <li>6. Spectators are not to touch any playing equipment. Eg returning balls to the pitch if they go over perimeter fence.</li> </ol>	Yes	n/a	All	Immediate

Risk of Infection to Players	Likely	Severe	High	<ol style="list-style-type: none"> <li>1. Anyone showing signs or symptoms or living in a household with possible or actual Covid-19 must not attend or participate.</li> <li>2. Direct contact before or after training must be avoided</li> <li>3. Players should sanitise hands as often as possible during breaks in the session and before and after each session.</li> <li>4. Players should arrive dressed to train and should not use shared shower facilities.</li> <li>5. Players should arrive at the time stated for start not prior and leave immediately after training has finished.</li> <li>6. No team huddles.</li> <li>7. During breaks in session players should social distance until play resumes.</li> <li>8. No spitting.</li> <li>9. No sharing of water bottles.</li> <li>10. Players should follow best practice for travelling to and from training minimising the risk of public transport where possible players should walk or cycle.</li> <li>11. Goalkeepers should disinfect their gloves both before and training and during breaks in the session and should refrain from touching players with their gloves.</li> <li>12. Players should refrain from touching any equipment.</li> <li>13. Where possible players should limit close proximity.</li> </ol>	Yes	n/a	All	Immediate
------------------------------	--------	--------	------	---	-----	-----	-----	-----------

General Risk of Infection	Possible	Severe	High	<ol style="list-style-type: none"> <li>1. Extra hygiene to be ensured.</li> <li>2. Hands sanitised upon entry to ground</li> <li>3. Education managers and coaches on measures to be implicated.</li> <li>4. Education of Players</li> <li>5. Strict enforcement of regulations in place</li> <li>6. Spectators/parents to be kept informed of regulations.</li> <li>7. Any Player/Manager/Coach/attendee must inform the academies Covid-19 Officer Andy Stickley if they either develop symptoms or test positive within 14 days of attendance.</li> </ol>	Yes	Staff to ensure that rules are strictly adhered to.	All	Immediate
Risk of Infection from treating serious injury	Unlikely	Severe	High	<ol style="list-style-type: none"> <li>1. Serious injury must be dealt with in accordance with FA guidelines. If possible serious injury to be dealt with by person within injured players bubble.</li> </ol>	Yes		All	Immediate
<b>ALL OF THE ABOVE ARE TO BE ADHERED TO AS WELL AS AND NOT INSTEAD OF NORMAL MATCHDAY RISK ASSESSMENT</b>								

### Bedworth United FC RISK ANALYSIS MATRIX

Use the risk matrix to classify the perceived risk levels and prioritise the action plan

<b>INJURY POTENTIAL SEVERITY</b>	<b>LIKELIHOOD</b>				
	<b>Very Unlikely</b> (freak event)	<b>Unlikely</b> (unlikely sequence of events)	<b>Possible</b> (foreseeable under unusual circumstances)	<b>Likely</b> (easily foreseeable)	<b>Very Likely</b> (common occurrence)
<b>Negligible</b> (no injury/no disturbance)	<b>Low</b>	<b>Low</b>	<b>Low</b>	<b>Low</b>	<b>Low</b>
<b>Slight</b> (first aid injury, or minor disturbance)	<b>Low</b>	<b>Low</b>	<b>Low</b>	<b>Medium</b>	<b>Medium</b>
<b>Moderate</b> (medical treatment injury, or significant disturbance)	<b>Low</b>	<b>Low</b>	<b>Medium</b>	<b>High</b>	<b>High</b>
<b>Severe</b> (injury resulting in lost time, or large disturbance)	<b>Low</b>	<b>Medium</b>	<b>High</b>	<b>High</b>	<b>High</b>
<b>Very Severe</b> (long term disability or fatality, or major disturbance)	<b>Low</b>	<b>Medium</b>	<b>High</b>	<b>High</b>	<b>High</b>
